### MESSAGE FROM THE PRESIDENT

A happy, healthy and successful 2018 to our members, supporters and friends.

A full year of events have been planned and looking forward, it will be an eventful and successful 2018. With your help and continued support, we will work towards the advancement of the organization.

The Association will continue to collaborate with our sister organizations and other community organizations as we expand our community participation in projects and events. Working together, we will succeed in all future endeavours.

Please renew your membership and I also invite those who are not members to sign-up now, become members this year and share your skills with us.

Let us forge ahead as one to keep our culture alive. Looking forward to seeing you at our first General Meeting of 2018 on Sunday, January 28, 2018.

U. Leebert Sancho, President
