GUYANA TOGETHER - REFLECT- CELEBRATE AND TRANSFORM

- Guyana Together:** *speaks to the importance of all Guyanese uniting as one people, in pursuit of a prosperous destiny for this great nation.*
- Reflect:** *emphasises the need for us to reminisce from whence we came, and acknowledge the struggles and sacrifices our ancestors made for us to get here.*
- Celebrate:** *refers to our innate 'Guyaneseness' to mark every milestone.*
- Transform:** *signifies the need for us to take Guyana to the next level. It speaks to the future, the decade of development and our country's move to becoming a Green State.*
